NOTICE PAPER

PRIVATE MEMBERS' MOTIONS

2. *Mr. Ben*—Resolution—That, in the opinion of this House, Ontario should establish a system of compensation for victims of crime.
3. *Mr. Smith* (Nipissing)—Resolution—That this House supports the addition of prescribed drugs and medication costs to present Family Benefit payments, in the same manner as hospital and medical costs are now included.
4. *Mr. De Monte*—Resolution—That, in the opinion of this House, employees have the right to be actively included in any planning for change arising from automation or industrial rationalization, the effect of which would be to make substantive changes in their working conditions or cause redundancies.
5. *Mr. Sopha*—Resolution—That, in the opinion of this Legislature, it ought to be an offence for any person to eavesdrop on the conversation or actions of other parties by any means whatsoever, except under the strictest controls as prescribed by law.
6. *Mr. Braithwaite*—Resolution—That this House recognize the reality of noise pollution as a factor in the daily lives and welfare of the people of Ontario.
7. *Mr. Gaunt*—Resolution—That, in the opinion of this House, nursing homes should be included in the benefits under the Ontario Hospital Services Commission.
8. *Mr. Shulman*—Resolution—That, in the opinion of this House, this Government should consider establishing a fund out of which payments may be made to compensate victims of crimes of violence, or their dependants, to be administered by a Board constituted to hear applications and make awards for compensation.
10. *Mr. Davison*—Resolution—That, in the opinion of this House, the Government immediately extend hospital insurance coverage to persons in chronic and convalescent hospitals or in approved nursing homes who do not require continued medical and skilled nursing care but whose conditions indicate that, in the opinion of the medical practitioner, they cannot be returned to their own homes or to a home for the aged.
11. *Mr. Hodgson* (York North)—Resolution—That the Government of Ontario (GO) Transit Commuter Service be expanded to serve communities north of Metropolitan Toronto.
12. *Mr. Bernier*—Resolution—That the Government of Ontario should assume full responsibility for the Indians and Eskimos resident in this province with financial assistance from the Federal Government and that, as a first

step, an Advisory Committee should be established to counsel the Government on problems and policies affecting our Indians and Eskimos.

13. *Mr. Jessiman*—Resolution—That financial assistance should be provided to needy students in our primary and secondary schools, as well as in university to ensure that no one is forced to drop out of the school system as a result of economic pressure.
14. *Mr. Apps*—Resolution—That a Department of Youth should be created to deal with the social needs and problems of our youth.
16. *Mr. Kennedy*—Resolution—That the Government of Ontario should prohibit the sale of non-returnable glass bottles in this province.
17. *Mr. Reid* (Scarborough East)—Resolution—That elementary and secondary school student records be treated as confidential so that private information is not released or used without the written consent of the individual concerned.

QUESTIONS

1. *Mr. Reid* (Scarborough East)—Enquiry of the Ministry—(a) How many science and mathematics teachers are employed at the George Brown College of Applied Arts and Technology. How many of these teachers hold a certificate for teaching from the Department of Education. How many, if any, non-certified teachers are university graduates. Of the remaining teachers, how many have grade 13. (b) What are the standards and regulations of the Department of Education concerning the qualifications necessary for persons to be eligible to teach science and mathematics at the colleges of applied arts and technology. Have these regulations been adhered to at the George Brown College of Applied Arts and Technology. (c) Is it true that a person can be appointed a teaching master at George Brown College only if he has at the minimum, an honour degree or an ordinary degree plus trade qualifications. If the answer is yes, are there any masters at George Brown College who do not have these minimum qualifications. (d) Who are the chairmen of the various teaching departments of the College and what are their academic and professional qualifications.
2. *Mr. Reid* (Scarborough East)—Enquiry of the Ministry—(a) Are the Bower-Lambert Scales used in the Province of Ontario in the detection of emotionally disturbed children. If not, what criteria are used in the Province of Ontario to detect emotionally disturbed children. How many emotionally disturbed children are there in the Province of Ontario (excluding such children who are also blind and/or deaf). (b) How many of these children are old enough to go to school. How many school-age children are judged to be so disturbed that they have been excluded from regular school classrooms and how many of these children do not receive the special education services of the Department of Education. How many teachers have professional training in what to do for emotionally disturbed children. (c) How many emotionally disturbed children in

Ontario are not old enough to go to school. How many of these children receive in-patient care. How many receive out-patient care. Who pays. How many receive no professional care at all and are isolated at home.

3. *Mr. Reid* (Scarborough East)—Enquiry of the Ministry—How many of the 5,159 candidates admitted to Ontario's 13 (elementary school) teachers' colleges during the academic year 1967-68 and the summer session in 1968, had an academic standing of 64 per cent or less on their grade 13 entrance requirements. How many had an academic standing of 80 per cent or more on their grade 13 entrance requirements.
4. *Mr. Reid* (Scarborough East)—Enquiry of the Ministry—With regard to the Teachers' College Conference at the Lake Couchiching Centre held by the Teacher Education Branch of the Department of Education in June, 1968, which had as its theme "New Directions for the Teacher of Teachers": (a) What was the length of this conference. (b) How many persons were in full-time attendance. (c) How many persons attended for part of the conference only. (d) What was the total cost of the conference. (e) What was the age distribution of those who attended. (f) What was the sex distribution of those who attended. (g) How many were Department of Education Officials. Held administrative appointments at Ontario's 13 teachers' colleges. Were from Boards of Education. Were full-time teachers at Ontario's 13 teachers' colleges. Were Principals of elementary schools. Were from the Ontario Institute for Studies in Education. Were full-time classroom teachers in elementary schools.
5. *Mr. Brown*—Enquiry of the Ministry—(1) During the fiscal year 1967-68, what were the amounts of the grants given to the Multiple Sclerosis Society of Canada (Ontario Division). What was the actual amount requested by the organization. Were those grants given as a result of a direct request from the Multiple Sclerosis Society of Canada. Is there any reason why grants for this organization for medical research have not been allowed. (2) What is the relationship between the Department of Health and the Canadian Association of Occupational Therapists. During the fiscal year 1967-68, what were the amounts of the grants given to the Canadian Association of Occupational Therapists. On what basis were the grants given. What was the actual amount requested by this organization. (3) During the fiscal year 1967-68, what were the amounts of the grants given to The Health League of Canada. What was the actual amount requested by this organization. (4) During the fiscal year 1967-68, what were the amounts of the grants given to the Canadian Paraplegic Association. What was the actual amount requested by this organization. (5) During the fiscal year 1967-68, what were the amounts of the grants given to the St. Elizabeth Visiting Nurses' Association. What was the actual amount requested by this organization. Were those grants given as a result of a direct request from the organization and if so, what was the specific purpose for which the grant was requested. (6) What standards are imposed by the Department of Health or the Ontario Hospital Services Commission on Red Cross outpost hospitals. Do these standards differ markedly from public hospitals' standards. Is it possible for other private organizations to establish

such outpost hospitals and receive similar benefits from the Ontario Hospital Services Commission. (7) Is the grant to the College of Nurses of Ontario based on a budgeted program of costs in the inspection of schools of nursing and training centres, or is the grant provided to cover other aspects of the organization's program. (8) What are the details of the grant system between various divisions of the Department of Health and the Banting & Best Institute of Medical Research. Does the Department of Health receive funds from royalties from the sale of insulin. Does the Banting & Best Institute undertake the funding of research that should normally be funded by research grants from the Department of Health—that is, is it replacing public research money and if so, who makes the decisions about whether this should be done.

6. *Mr. Reid* (Scarborough East)—Enquiry of the Ministry—What are the names of the elementary schools in Ontario which do not provide kindergarten to the children in the surrounding community.
7. *Mr. Spence*—Enquiry of the Ministry—How many American cottages are exempt under the new basic tax exemption in 1968.
